MSc Nuclear Science Scholarships for Kenyans
Ministry of Energy, National Council of Science and Technology & University of Nairobi

The Ministry of Energy via the Nuclear Electricity Project (NEP) Committee and in collaboration with the University of Nairobi and the National Council of Science and Technology is offering fifteen (15) Master of Science Scholarships to eligible Kenyans to pursue the Master of Nuclear Science offered by the Institute of Nuclear Science and Technology at the University of Nairobi.

Requirements
• The scholarships are open to holders of at least a Bachelor of Science degree (Upper Second Class Honours) or equivalent in the field of Biological/Physical Sciences or Engineering disciplines from a recognised University.
• In addition, the applicant must have a letter of eligibility of admission for Postgraduate Studies at the University of Nairobi.

Course Details
• The course is on fulltime basis.
• The MSc programme takes two (2) years.

Applications should be made to:
The Director
